

Self isolating? Email your teacher and ask where you should start from.

Watch the video – make notes – answer the quiz

Scroll down beneath the video for “building block” skills for support

### Half term 1 - 1st September to 14th October

Averages and range	404	405	406	407	408	409	410	413
Averages from a table	414	415	416	417	418			
Problem solving with averages	419	420	421					
Inequalities	265	266	267	268				
Frequency polygons	265							
Scatter Graphs	453	454						
Time series	450	451	452					
Plotting Linear graphs	205	206						

### Half term 2 - 2nd November to Christmas

Gradient / Equation of linear graphs	201	202	203	204		207	208	209	210
Plotting quadratic / cubic graphs	251	252		298					
Co-ordinate geometry	199	200							
Speed	716	717	718	719	720	721	722	723	724
Density	725	726	727	728	729	730	731		
Pressure	734	735	736						
Real life graphs	894	895							
Pythagoras' Theorem - intro	497	498	499	500
